The Original Flip Top Water Bottle

ASI 79070 PPAI 145455

## Why Power Bottle?

Power Bottle combines its patented, flip-top straw design, customized printing, and colorful dome and slider color combinations, to offer the most exclusive water bottle in the industry. People who use Power Bottles don't settle for anything less!

### Great idea for promotional markets such as:

Resorts, Spas and Health Clubs  
Hospitals  
Sporting Events  
Military  
Pharmaceutical  
Corporate Events  
Weight Loss Organizations  
Bike Shops  
Amusement Parks

## Feature & Benefits of Power Bottle

**Sanitary Dispensing Unit**– Straw is covered when not in use. Helps to keep the drinking surface clean and sanitary.

**High Quality and Durable** – Creates long term advertising opportunity.

**Environmentally Friendly** – Recyclable. Helps reduce landfill waste. Cuts down on the energy used to ship bottled water. Saves money for the customer.

**Unique Drinkware Product** – The patented lid design is the only one of its kind in the industry and it's exclusive to Power Bottle USA.

**"No Tipping"** – Safer to use during activities such as biking and driving because you don't have to remove your eyes from the task at hand.

**Filtered Bottles Give You the Taste of Bottled Water** – Without the expense. Removes chlorine taste and odor from tap water.

**Customization** – Place your organization's logo on the bottle with a matching dome and slider color to create a custom look.

**Accessories** – Power Bottle offers items such as filters, shoulder straps and insulators to keep water cold longer. A great way to upgrade and complement the Power Bottle.

**Fill & Go** – Virtually anywhere!

**Pays for Itself Again and Again** - Compared to the cost of bottled water.

**"Re-buildable"** – All components of the bottle are replaceable.

**Wide Mouth Opening** – Allows you to add ice to your beverage unlike other bottles.

**FDA Approved** – Power Bottles are made with FDA approved food grade materials.

**Made in America**

## Filtered Bottles

### Preserve the Earth

Refillable bottles save money for the consumer, preserve the earth, reduce landfill waste and save energy used to ship bottled water. The filter option offers the pure taste of bottled water without the expense and waste of throw away bottles.

Power Bottle Filters remove chlorine taste and odor from municipally treated water sources. Get the pure taste of bottled water on the go without the waste of throw away bottles.

#### Did you know?

38 billion water bottles are discarded into landfills every year, wasting \$1 billion worth of plastic made with 1.5 million barrels of oil.

You can get approximately 450 gallons of municipal tap water for the price of one bottled water.

#### CARE AND USE OF FILTERED BOTTLES

##### Care and Washing

Hand washing of bottle is recommended. However, bottle and cap assembly is dishwasher safe, top shelf only. Remove filter before placing bottle in dishwasher. *Never expose filter to soapy water.*

##### Filter Replacement

Filters should be replaced after approximately 80-100 refills, or every 30-60 days, depending upon how often it is used. For best water quality, keep replacements handy. Order replacement filters and other parts at [powerbottleusa.com](http://powerbottleusa.com) or call 800-577-9567.

Filters have been independently tested to **NSF/ANSI** standard 42 chlorine reduction standards. Enjoy a minimum of 100 refills when used in a 32 oz bottle.

Filters can be added to all of the Power Bottle product line.

# General Guidelines

## Artwork:

- Electronic art should be used whenever possible. Send Vector EPS Files (PC Compatible for Adobe Illustrator 9.0)
- Art files should be color separated for output. E-mail to art@powerbottleusa.com
- Film positives (emulsion side up) or black and white stats are also acceptable
- Separations are required if the logo is more than one color
- Line screens or half-tones will be output and should be submitted at 60 dpi
- If artwork needs to be created or manipulated, additional charges may apply (including typesetting)

## Dome Colors:

Black, Metallic Blue, Navy Blue, Royal Blue, Hunter Green, Kelly Green, Orange, Purple, Red, Silver, Teal, White, Yellow

## Slider Colors:

Black, Metallic Blue, Navy Blue, Royal Blue, Hunter Green, Kelly Green, Magenta, Orange, Pearl Green, Purple, Red, Silver, Teal, White, Yellow

## Special Order Dome and Slider Colors

Minimum order 5,000 pieces

## Standard Production Time

10 business days from receipt of order and approved artwork

## Trademark Notice

The artwork, trademarks and designs used in Power Bottle USA promotions materials or displays are reproduced only as examples of the type and quality of imprinted product available. They are not intended to represent that the products are endorsed by the owners of the artwork, trademarks or designs.

**Hours of Operation:** 8:30 AM – 5:00PM Eastern Standard Time

# Color Chart

All colors are glossy. Metallic colors contain metal flakes.
